TO WHOMSOEVER IT MAY CONCERN

This is to certify that the structural design and drawings of Proposed Ground+5 Storied Residential Building of GREEN HILL INDUSTRIES PVT LTD at Champasari, Siliguri, Plot No. 207(P), 208(P), Khatian No. 67, 107 (Old), 749 (New), JL No.- 47, Mouza - Mahismari, Pargana:- Patharghata, P.S.- Pradhan Nagar, Dist.-Darjeeling under Champasari Gram Panchayat have been checked and signed and found to be confirming to the relevant codes of practice as per the latest Indian Standards. All the stipulated combinations of gravity loads and the relevant lateral loads have been considered and duly incorporated in the analysis and design. However, during construction of the proposed RCC Structure, all provisions stated in the IS:13920-1993 [e.g. beam-column junction, beam-beam junction, column footing junction, staircase columns with half landing beams, free standing columns, splice zones, development length, stirrup configurations, etc.] along with other relevant IS Codes shall be adopted. The scope of this certificate shall be limited to checking of structural design and drawings only, excluding procedural/ legal/ operational matters, fabrication/ construction/ construction supervision and architectural/ functional details. Further, it is instructed that the structural construction should be carried out under the supervision of under signed Structural Designer.
